PEDIATRIC CLINICS OF INDIA—Jan. to Dec. 1973

INDEX

A

Agarwal S. P. Electrocardiographic changes in Myopathies, 25; Enzyme studies in Normal children & Adults 215; Serum creative Phosphokinase in Muscular Dystrophy, 179.

Acyanotic Tricuspid Atresia with Normal Origin of the great vessels–S. K. Sanyal, H.M. K. Saxena M. K. Thapar, S.K. Bhargava, 207.

Ahmed B.: Determination of Normal Serum Amylase activity in infancy and childhood in North Bihar, 71.

Aiyar R.–Diagnostic Value of BCG vaccination, 17.

Andurkar G.P.–Bacterial Throat Flora in Normal and Abnormal states, 11.

Amylase Activity : Determination of normal in serum in infancy and childhood in North Bihar, B. Ahmed and O. N. Jayaswal, 71.

Athavale V.B.–Evaluation of Primary Human Tissues in Ayurvedic Medicine, 49. Tridosha Concept, 103. Enteric fever in children, 167– Sleep, 225.

B

Bacterial Throat Flora in Normal and Abnormal States in children–Its Clinical significance ; M. L. H. Magotra, A. K. Bhattacharjea, G. P. Andurkar, 11.

Barve, Sushma G.—Vomiting, 105.

Banker D.S.: Paralytic Ileus in children, 195.

Bazaz R. G.—Case of Conjoined Twins with Review Literature, 21.

BCG Vaccination: Diagnostic value- Radha Aiyar and Rita R. Sekhri, 17.

BCG in Diagnosis of Childhood Tuberculosis: Rupani, M. H., Katira, M. M., Khara R. K., Hegdekar G. V., and C.S. Wagle, 43.

Bhattacharjea, A. K. : Bacterial Throat Flora in Normal and Abnormal states, 11.

Bhargava S. K., Acyanotic Tricuspid Atresia with normal origin of the great Blood Vessels, 208.

C

Cholinesterase Activity : In Plasma in Infantile Cirrhosis. of Liver, Vij J. S. S. and Maitrya, B. B.30. Comparitive trial of Trimethoptrin Sulphamethoxazole and Chloramphenicol—Streptomycin in Acute Infantile Gastro-Enteritis in Bombay —S. M. Merchant, R. H. Merchant, K. K. Das, M. V. Sant, 135.

Congenital Ring Constrictions and Intrauterine Amputations—K. Indira Bai, K. V. Subba Rao and M. V. G. Subramanyam, 59.

Conjoined Twins: A case with Review of Literature, T. B. Prasad and R. G. Bazaz, 21.

Cough, Symptomatic Management in Pre-school Age group of children G. S. Gilda, Y. C. Mathur, M. Nagraj Rao, Y. R. Reddy, 91.

D

Dabke, A.T.-Congenital Hypogammaglobulinemia, 95.

Diarrhea, Acute with Special Reference to its Treatment with oral colistin sulphate, S. N. Mehrotra and S. D. Mishra, 97.

Dandekar, Ila : Female Pseudohermaphrodite of Idiopathic non-Adrenal origin with Phallic Urethra, 35.

Das K. K. : Comparative trial of Trimethoprim Sulphamethoxazole and chloramphenicol Streptomycin in acute Infantile gastroententis, 135.

Desai A. G. & Dahat H. B.—Post BCG lymphadenitis 209.

Dikshit S.K. : Enzyme studies in normal children and adults, 215.

E

Enteric Fever in children, S. P. Toddywala, V.R. Kamath, C.S. Wagle, V. B. Athavale, 167.

Enzyme studies in Normal children and Adults : S.P. Agarwal, R.S. Singh, S.K. Dikshit – 215.

Epistaxis, severe and its management : S. V. Wadhwa and K.C. Gadre, 191

F

Fernandez A. : Vomiting, 105; Gastrointestinal bleeding in infancy and childhood, 159.

G

Gadre, K. C. : Severe Epistaxis & its management, 191.

Gandhi, V. K. : Accidental poisoning in children with special reference to Kerosene poisoning, 65.

Garg A.R., Touch Epilepsy, 47.

Garg BK : Landry Guillain Barre Strohl Syndrome in children, 27.

Gastro-Intestinal Bleeding in Infancy and childhood, P. N. Patnekar, Armida Fernandez, 159.

Gheewala M. N.–Sacro-Coccygeal Teratoma, 145.

Gilda G. S., Symptomatic Management of Cough in Pre-school age group of children, 91.

Gupta B. M. : Touch Epilepsy, 47.

H

Harlequin Baby: Pragna M. Pai, N. S. Tibrewala, 143.

Hegdekar, G. V : BCG in Diagnosis of childhood Tuberculosis, 43.

Hemangiopericytoma in children : S. B. Talathi, Jer M. Patel and Asha Mehta, 115.

Hypertension in children : B. R. Santhanakrishnan and V. Balagopal Raju, 109.

Hypogamma Globulinemia, Congenital : Inamdar S., Trivedi S. K. and Dabke A. T., 95.

I

Immunization in Infants : Yash Sachdev, Kewal Krishna, 137.

Inamdar, S : Congenital Hypogamma Globulinemia, 95

Indira Bai, K., Nutrition Rehabilitation centre 3 ; Bonnisan : Digestive corrective and Anabolic tonic for Newborn and infants 39 ; The Clinical spectrum of Juvenile diabetes 129 ; Splenomegaly in infants and children 197.

Irani, Simin F. : Multiple Pseudocystic Tuberculosis of the Bone in Children. 77.

J

Jayaswal O. N. : Determination of Normal serum anylase activity in infancy and childhood in North Bihar, 71.

Joshi N. C. : Neonatal Malaria following Exchange transfusion, 213.

Juvenile Diabetes: The clinical spectrum of, K. Indira Bai, K. V. Subba Rao and M. V. G. Subramanyam, 129.

K

Kamath V. R.–Enteric Fever in children, 167.

Katira, M. M. : BCG in Diagnosis of childhood Tuberculosis, 43.

Kaul B. K.: Pseud opancreatic Cyst, 119

Kewalramani R. M., Katdare, S. N., Kamat A.V. Kalshikar S. V., Kiranji D. C., Karvat, M.P., Katira H. B.—Problem of children of construction Labourers, 185.

Khara R. K. : BCG in Diagnosis of childhood Tuberculosis – 43

Krishna Kewal : Immunization in Infant, 131.

Kumta, N. B. Fermale Pseudohermaphrodite of Idiopathic non-adrenal origin with Phallic Urethra, 35.

Kumta N. B.–Study of weight velocity, weight, and weight Perentiles, 223.

L

Landry Guillain Barre Strohl Syndrome in children: A clinical review 16 cases: S. N. Mehrotra, B. K. Garg and T. N. Mehrotra, 27.

M

Magotra M.L.H. : Bacterial throat flora in normal and abnormal states, 11.

Maitraya B.B. : Plasma Cholinestrase activity in In fantitle cirrhosis of liver, 30.

Maternal Factors and the Neonate : Vidya Tipnis, C. S. Wagle, 219.

Mathur Y.C.: Symptomtic Management of cough in pre-school age group of children 91

Methemoglobinemia: Toxic, An Epidemic in children, S.B. Talathi, N.C, Joshi and Jer Master73.

Mehrotra S.N., Landry Gullain Barre, Strohl syndrome in children 27; acute diarrhea Treatment with colistin sulphate, 97

Mehrotra T. N. Landry Guillain Barre Strohl syndrome in children 27

Mehta, Asha Haemangopericytoma, 115

Mehta P. M. : Pain in Ayurvedic classies 157

Merchant S. M.–Comparitive Trial of Trime-

thoprim Sulphamethoaxazole and Chloramphenicol Streptomycin in Acute infantile Gastrocnteritis in Bombay, 135.

Mesenteric cyst: A case report. N. S. Tibrewala and Mrs. Pragna M. Pai, 81.

Mishra S.D. : Acute diarrhea, Treatment with colistin sulphate, 97.

Myopathies: Electrocardiographic changes in, S. P. Agarwal, R. S. Singh and S. K. Dikshit, 25.

N

Neonatal Malaria following exchange transfusion: S. B. Talathi, N.C. Joshi, S.R. Sood, 213.

Non-specific Ulcerative colitis (Procto-colitis) by Yash Sachdev, A.R. Subramanian, 207.

Nutrition Rehabilitation centre (A preliminary Report) K. Indira Bai, 3.

P

Pain as described in Ayurvedic classics : P.M. Mehta 151

Pai Pragna N. : Mesenteric cyst—A case report-81; Harlequin Baby, 143.

Paralytic Illeus in children : C.V. Patel, D.S. Banker, 195.

Patel C. V.: Paralytic Ileus in children, 195.

Patel B.D. Post BCG lymphadenitis, 209.

Patel, Jer M., Multiple Pseudocystic Tuberculosis of the Bone in children, 77; Hemangopericytoma in children, 115.

Patnekar P.N. Gastri-Intestinal Bleeding, 159.

Problems of children of construction labourers R.W. Kewalramani, S.N. Katdare, A. V. Kamat, S.V. Kalshikar D.C. Kiranji, M.P. Karvat, S.P. Jayshete, H.B. Katira 185

Pillai P.N. : Pseudopancreatic cyst. 119

Poisoning, Accidental in children with special reference to Kerosene poisoning: Saroj C. Talati and V. K. Gandhi, 65.

Post BCG Lymphadenitis : H.B. Dahat, B.D. Patel, A.G. Desai, 209.

Pseudopancreatic cyst–As an aftermath of E. Coli Septicaemia in a child : G.D. Singhal, B.K. Kaul, P. Narendran, 119.

Prasad T.B. A case of conjoined twins with review of literature, 21.

R

Raju V. B. : Hypertension in children, 209.

Rao, M. Nagraj, Symptomatic Management of cough in Pre-school age group of children, 91.

Reddy Y.R. : Symptomatic Management of cough in Pre-school age-group of children, 91.

Roy. M. : Embryonal Carcinoma of Testis in a child, 85.

Rupani M. H., BCG in diagnosis of childhood tuberculosis 43.

S

Sabnis V. M. : Study of weight velocity, weight and weight percentiles. 123.

Sachdev Yash : Embryonal carcinoma of tests in a child 85 ; Immunization in Infants, 131 ; Nonspecific ulcerative colitis, 203.

Sacro cocgeal Teratoma : C. R. Trivedi and M. N. Ghewala 145.

Sant M. V.: Trial of Trimethoptrim Sulphamethoxazole and chloramphenicol streptomycin in acute infantile garko enteritis, 135.

Santhanakrishnan. B.R. Hypertension in children 109

Sanyal, S. K. : Acyatnotic Tricuspid Atresia with normal origin of the great vessels 207.

Saxena H. M.K Acyanotic Tricuspid Atresia with normal origin of the great vessels, 207.

Sekhri Rita, Diagnostic value of BCG Vaccination, 17.

Serum Creatine Phosphokinase study in Muscular dystrophy : S. P. Agarwal, R.S. Singh and S.K. Dikshit, 179 .

Shah A.R. : Role of Vitamin "A' in nutrition, 53.

Singh, R. S. : Electrocardiographic changes in Myopathies, 25; Serum Creatine Phosphokinase study in muscular dystrophy 179 ; Enzyme studies in normal children and adults, 215.

Singhal G. D. Pseudopancreatic cyst, 119.

Soneji, J. Female Pseudohermaphrodite of Idiopathic non adrenal origin with phallic urethra, 35.

Sood S.R.: Neonatal Malaria following exchange transfusion, 213.

Splenomegaly in Infants and children : K. Indirabai, M.V.G. Subrahamanyam and K.V. Subha Rao, 197 ;

Subha Rao, K.V. Bonnisan, A Digestive Corrective Tonic 39 ; Congenital ring constructions and intra-uterine amputations, 59 ; Splenomegaly in Infants and children 197

Subrahamanyan M.V. G Bonisan, A digestive corrective, 39; Congenital ring constructions and intrauterine ampulations, 59 ; Splenomegaly in Infants and children, 197

Subramanian A. L. : Nonspecific Ulcerative Colitis, 203.

Embryonal carcinoma of Testris in a child, 85.

T

Talati S.B : Haemangio pericytoma in children, 115 ; Neonatal malaria following exchange transfusion, 213.

Talati Saroj L : Accidental Poisoning in children with special reference to Kerosene Poisoning, 65; Multiple pseudocystic tuberculosis of the bone in children, 17.

Testes, Embryonal carcinoma in a child Yash Sachdev, M. Roy and A. R. Sulramaniam 85.

Thapar, M.K, Acyanotic Tricuspid Atresia with normal origin of the great vessels, 207.

Tipnis S.V. : Maternal Factors and the Neonate, 219.

Tibrewala N.S. Mesentric Cyst-81, Harlequin baby, 143.

Toddywala S.P. : Enteric fever in children, 167.

Trivedi C.R. Sacrococygeal Teratoma, 145.

Trivedi S.K.: Congenital Hypogammaglobulinemia, 95.

V

Vij, S. S. Plasma cholinesterase activity in infantile cirrhosis of liver, 30.

Vitamin A. Role in nutrition A.R. Shah, 54.

Vomiting — A Fernandez and Sushma G. Barve, 105

W

Wagle C.S. BCG in Diagnosis of childhood Tuberculosis, 43. Enteric Fever in children, 167. Maternal factors and the neonate, 219.

Weight velocity weight and weight percentiles. study of 100 children from low socioeconomic Groups: V. M. Sabnis and N. B. Kumta, 123.

Wadhwa S. V. Severe Epistaxis and its management 191.
